EXPERIENCE

PRODUCT DESIGNER

INFO | Amsterdam, The Netherlands
Feb 2019 - Present

INFO is a creative technology agency. I am currently working with one of their clients, for refactoring and re-platforming an old system, in order to correspond to the dynamic and changing digital world in order to answer their customers needs.

PRODUCT DESIGNER

Boris Kirov
Apr 2015 - Present

I use my knowledge and understanding of design and development to assist different clients and help out the community. Front-end development, Product design, Design systems, Documentation, Motion graphics and Prototyping.

EXPERIENCE DESIGNER

SoftServe | Sofia, Bulgaria
Dev 2018 - Jan 2019

SoftServe is a digital authority that advises and provides at the cutting-edge of technology. I was working and leading a small team of designers for the creation of an driving application.

DIGITAL PRODUCER / UX DESIGNER

Despark | Sofia, Bulgaria
Feb 2016 - Dec 2018

Despark is a team of curious thinkers, fearless creators and technical artisans. My role there consisted of making final design decisions during the discovery and production phases.
